

Mechanical Cable Cutter

ZU 5 Cable cutter

Characteristics
Range of use
Strand up to Ø 20mm Cu-Al
Solid up to Ø 12mm Cu-Al

Article-Nr.	E-Number	mm a								VE Emb
413.080.415	983 043 069	370								1

Technical Specifications: **Cable cutter ZU 5**

	413.080.415
Length a	370 mm
Suitable for solid cores	Yes
Isolation protection 1000 V	No
Replaceable cutting head	No
With impact protection	No
VDE tested	No
Suitable for max. cable diameter	12 mm
Construction/operation	Mechanic two hands
Cable cross section max.	120 mm ²
Total length	370 mm
Suitable for steel wire braiding	No
Cutting jaws exchangeable	No
Suitable for fine strand conductors	No
Insulated	No
Useful for stranded conductors	Yes
Grip design	Other
With strip function	No
Commercial specification	
Customs number	82059000
country of origin	CE
Logistic specification	
VPE Weight	0.763 kg
