

Conductor connections and junctions

■ AV 28 Contact clip

Characteristics
With connection terminal for longitudinal and transversal wiring.
Not to be used in the ground.

Legend
a) single clamping head to type AV 26
b) strip to type AV 26 and PA 88

Article-Nr.	E-Number									
280.105.006	156 942 030	H	InoxA2	6 - 10				a)		20
280.105.007	156 942 040		InoxA2		23x0.3			b)	50	50

Technical Specifications: **Contact clip AV 28**

	280.105.006	280.105.007
Approved class H / N (EN 62561-1)	H	
Material	InoxA2	
Wire diameter	6 - 10 mm	
Cross section of the connecting conductors	25 - 35 mm²	
Band size		23x0.3 mm
Number of conductors	1	
Clamping/chucking range		18 - 600 mm
Surface protection	unbehandelt	
required torque	15 N·m	
Commercial specification		
Customs number	85389000	
country of origin	CE	
Logistic specification		
VPE Weight	2.81 kg	2.86 kg
