

Earth tester

■ **DET 3 TD** Earth tester

Characteristics
Earth measuring equipment for 2 and 3 conductor
With batteries, 8x 1.5VAA
Measurement range 0.001-2000 Ohm
Protection class IP 54
Dimensions 203x148x78mm

Content
Carrying case
Cable an spike set
Calibration certificate
Batteries

Article-Nr.	E-Number									
429.005.020	933.02.605									1

Technical Specifications: **Earth tester DET 3 TD**

	429.005.020
Indication	digital
Printer integrated	No
Printer connection	No
Internal memory	No
Commercial specification	
Customs number	90303300
country of origin	GB
Logistic specification	
VPE Weight	2.65 kg
