

Interception components

■ **FL 70** Ridge conductor support for flat roof

**Characteristics**  
With cement filling

**Legend**  
a) For strip incl. adapter

Technical Specifications: **Ridge conductor support for flat roof FL 70**

|                          |                 |
|--------------------------|-----------------|
| Article No.              | 226.017.005     |
| Material                 | PVC             |
| Material of holder       | Plastic         |
| Mounting type conductor  | With snap clamp |
| Application              | Flat roof       |
| Material of carrier      | Plastic         |
| Wire diameter            | 6 - 10 mm       |
| Mounting method          | sonstige        |
| Diameter conductor       | 6 - 10 mm       |
| Commercial specification |                 |
| Customs number           | 85389000        |
