

Straight screw connector

■ PA 71 Screw connector straight

Characteristics
Screw connector straight for wire.
Not suitable for lightning protection zone."

Legend
a) wrench size 17
b) wrench size 20

Article-Nr.	E-Number									
263.051.006	156 010 090	CuZnvNi	6	47					a)	25
263.051.008	156 010 130	CuZnvNi	8	47					b)	25

Technical Specifications: **Screw connector straight PA 71**

	263.051.006	263.051.008
Wire diameter	6 mm	8 mm
Nominal cross section copper, RE	28 mm²	50 mm²
Nominal cross section copper, RM	28 mm²	50 mm²
Material	CuZnvNi	
Length a	47 mm	
Surface protection	Other	
Voltage level	Up to 30 kV	
Material conductor	Kupfer	
Commercial specification		
Customs number	85389000	
country of origin	CE	
Logistic specification		
VPE Weight	1.368 kg	1.975 kg
