

Deep earthing components

TE 41 Extraction Tool

Characteristics
For the extraction of the last extension pipe

Article-Nr.	E-Number									
261.016.000	156 980 930	StvZn	17+21							1

Technical Specifications: **Extraction Tool TE 41**

	261.016.000
Material	StvZn
External diameter	17+21 mm
Type of accessory	sonstige
Surface protection	Hot dip galvanized
Commercial specification	
Customs number	82059000
country of origin	CE
Logistic specification	
VPE Weight	0.402 kg
