

Life line system Flury LINE

InoxD8 Wire stainless steel

Characteristics
Certified special wire with color code made of stainless steel for drive-over cable systems

Article-Nr.	E-Number									
320.000.001		InoxA4	8	4						1

Technical Specifications: **Wire stainless steel** **InoxD8**

	320.000.001
Material	InoxA4
Cable diameter	8 mm
Number of person	4
Commercial specification	
Customs number	73089000
country of origin	DE
Logistic specification	
VPE Weight	310 kg
